

The Consilio Consulting Bulgaria EOOD is searching for a

Consultant (m/f/d) SAP S/4HANA Integration Architecture

Sofia (Bulgaria)

YOUR TASKS

- You will design and shape state-of-the-art integration architectures for our clients that are tailored to their specific requirements.
- Due to your expertise, you will take on responsibilities as a project manager in innovative integration projects and ensure their successful implementation.
- You will drive our expertise in integration architecture and interface development forward and develop best practices to optimize our future projects.
- You will be responsible for the reliable maintenance and enhancement of existing integration landscapes, particularly using the SAP Integration Suite and other middleware platforms.
- You see it as essential to look beyond the immediate tasks and are willing to take on responsibilities in proposal management and pre-sales activities to best meet our clients' needs.
- You will have the opportunity to engage with innovative AI topics and apply these to the SAP requirements of our clients.
- You will stay up to date with current trends and technologies in the field of SAP integration and proactively share your knowledge within the team to strengthen overall expertise

YOUR TALENTS

- You hold a degree in (Business) Informatics or a comparable qualification and have several years of experience in SAP Integration Architecture.
- You are familiar with SAP integration solutions such as SAP PI/PO, SAP CPI, and SAP BTP and can successfully apply them in projects.
- Ideally, you have experience with common integration technologies such as ABAP Proxy, SOAP, RESTful APIs, and Microservices.
- Your analytical skills and understanding of business processes enable you to develop suitable integration strategies.
- You have a strong interest in working with innovative AI topics and integrating them into our clients' SAP solutions
- Negotiation-level English skills, a confident demeanor, and a willingness to travel complete your profile

YOUR BENEFITS
